CROYDON PARK CLUB DARTS

First - Myles (solo) 17 points
Second - Eric and John 16 points
Third - Lynne and Mark 15 points
Women's Highest Score - Michele 140
Men's Highest Score - Terry 140

Again we had a wonderful turn up at darts so nine teams played six eagerly contested rounds. Although there were no 'Play-Offs' for the top three places, the scores of the front running teams were very close. In the 'Highest Score' category Michele, Eric and Terry each achieved a whopping 140, necessitating a play-off between Eric and Terry for the Men's Highest Score.

We welcomed back Jim from his travels this week and hope Marissa's arm recovers by next Friday so she can resume playing.

Each week we play social darts with an emphasis on fun and camaraderie. Our players range in ability from beginners to competition players and we'd love you to join us each Friday. Play commences in the Sports Bar area downstairs at 8 PM. Please arrive a little earlier to put in your name.

Looking forward to seeing you on Friday evening,

Cheers,
Lee

INDOOR BOWLS

Members and Friends,

I hope you're all enjoying the extra hour with daylight savings and got out and about in the fine weather. Due to the Monday Long Weekend there were no bowls on this night. Next Monday we will continue the competition as usual. Last Thursday was Social Bowls as usual, it was a great night with lots of fun had by all. The winners were Frank, Joanna and Tony, well done team.

Got to Be Up

GOLF

A distant burp rippled across the Penrith golfscape last Sunday as the John Fraser Knockout entered round 2, contested by a curious bunch of 'wannabe's' and old men dragging handicaps around like bath tubs shackled to their ankles.

Paul Linnane took on Chris Hurley and played poorly enough to give Chris a thoroughly deserved 3 and 2 win. Chris celebrated with a blonde. Beer that is?

In the other match, Tony Spierewka was locked and loaded....and ready as usual to put newcomer Phil Lovell to the sword. Unexpectedly (at least by Tony) Phil rolled in a 20 footer at 18 to square the match and then promptly won the extra hole. Tony was left rueing a one foot horseshoe on 17 that, as it turned out, would have won him the match.

In the days event, Brian Sharpe found the right key winning with 39 points narrowly pipping Graham Broadbridge on a count back. Brian, who was considering taking up tiddly winks or some other contact sport, after a dismal display 2 weeks ago regained his mojo and took home a bottle of wine - yes wine...not that moonshine Miro was peddling.

Phil Lovell came in third with 37 followed by Tony Spierewka and Chris Hurley 35, Tony Estevez 32 and Paul Linnane 30.

Nearest the pins went to Graham Broadbridge (2), Kris Mumby and Harold Roberts with Paul Linnane picking up the nearest in 2 shots at 14 and Harold the Guzzlers Cup.

Our next game is Sunday week 15/10 at Camden 6.15am tee-off and everyone is welcome to come along. More info can be found by calling Harold Roberts 0432 029310 or Paul Linnane 0432 367596.

BILLIARDS & SNOOKER

My sources have let me down regarding results of last Thursday 28/09/2017 Social Single Handicap Snooker Competition. Hence no results or even if there were enough numbers to hold the competition. With the decline in numbers of this competition remains to be seen how much longer this competition can go on for. Once again I am urging any member of the Burwood Group interested in snooker to please come along & have a go at playing in our friendly Thursday night social single handicap snooker competition. All you have to do to enter is make your way down to the Burwood R.S.L sport's bar prior to 7:15 pm & have your name placed on the list & for only \$ 2 you can compete for the wish cards.

In round 11 of the N.S.W R.S.L team's Single Handicap Billiards Competition the Burwood boyz recorded their best win of the season by defeating arch rivals & top of the table Petersham R.S.L. The 4 nil smashing of Petersham was made even the more sweeter as the match was played at Petersham R.S.L where a lot of teams have struggled. This match was played on Tuesday 26/09/2017. Paul, Adwin & Josip all had good wins. Col Sheehan fresh from his trip to Trump land was up against one of Petersham best players this season in Irish Pete. Col had the handicap start & just managed to hang on from the fast finishing Irish Pete for a good win.

In round 11 of this competition the boyz hosted the Rooty Hill 2 team. Results of that match will be in 2 weeks time. Round 13 of this competition will be in 2 week's time as the N.S.W R.S.L Billiards Snooker Association will be sending a team to Melbourne to take on the Vics. The trip will start on 09/10/2017 & go to Friday 14/10/2017. Col Sheehan & your humble correspondent have been selected in the N.S.W team in the week long event. After a slow start the boyz are making their way up the competition table. After their good round 11 win the boyz are in 8th place of the 10 team competition which is so congested only 3 points difference between 9th & 2nd place.

Hope to see you round the tables.

JOKE OF THE WEEK

Construction Worker

A construction worker goes to the doctor and says, "Doc, I'm constipated."

The doctor examines him for a minute and then says, "Lean over the table."

The construction worker leans over the table, the doctor whacks him on the backside with a baseball bat, CRACK... and then sends him into the bathroom.

He comes out a few minutes later and says, "Doc, I feel great. What should I do to prevent constipation?"

The doctor says, "Stop wiping with cement bags."

My Daughter is a Good Girl

A mother took her daughter to the doctor and asked him to give her an examination to determine the cause of the daughter's swollen abdomen.

It only took the doctor about 2 seconds to say, "Gimme a break, lady! Your daughter is pregnant!"

The mother turn red with fury, and she argued with the doctor that *her* daughter was a good girl, and would *never* compromise her reputation by having sex with a boy.

The doctor faced the window and silently watched the horizon. The mother became enraged and screamed, "Quit looking out the window! Aren't you paying attention to me?"

"Yes, of course I am paying attention, ma'am. It's just that the last time this happened, a star appeared in the east, and three wise men came. I was hoping they'd show up again, and help me figure out who got your daughter pregnant!"
