## CROYDON PARK CLUB DARTS

---

---

First – Michele and Tony – 17 points  
Second – Lynne and Bill – 16 points  
Third – Margaret and Louis – 16 points  
Ladies’ High Score – Pat – 140  
Gentlemen’s High Score – Louis – 134

Last week the top three points scorers were a tight knit bunch while the rest of us struggled against them. We witnessed a play off for second and third places after a night of increased numbers. We have recently signed up some new members and the higher number of teams has improved the competitive feeling.

Our emphasis is on fun and camaraderie. We range in ability from beginners to competition players and partners are decided in a random draw. Not knowing which partner you will have and therefore your competitive strength adds to the fun. Join us in the downstairs Sports Lounge around 7:45 for the evening’s session, usually a little over a couple of hours. We look forward to seeing you.

## GOLF

---

---

The Jim Brown Shield wound up last Sunday for another year with the annual Len Whitehead Davies Day on a dusty Royal Woodville - sadly in need of rain.

Official starter Coach Anderson got things under way and another enjoyable day was had by all. Burwood performed well with Chris Hurley scoring 43 points, Spanish ace Tony Estevez and Brian Sharpe both with 41, and the rest of the team all contributing to a solid performance. Alan Macleay returned to golf after his June nuptials and did his best to aerate the course but was critical of the hard ground and the likelihood of injury. Afterwards all teams assembled back at Cabravale Diggers (who incidentally defeated Smithfield in the final this year to win consecutive titles) for the usual post-mortems, presentation and a sumptuous lunch which was so good even Big Al Macleay struggled to finish - his fourth plate I mean!

In the end Burwood finished second on the day behind Chester Hill which is akin to whoever finished second behind Phar Lap in 1930. Coach Anderson spent much of the afternoon drowning his sorrows with close chum Noel Wilkins and their drink of choice - a Shirley Temple - shaken not stirred.

Our next game is this Sunday at Camden (Studley Park) 6.15am tee-off and everyone is welcome. For more information contact Harold Roberts 0432 029310 or Paul Linnane 0432 367596.

## JOKE OF THE WEEK

A lady walks into Tiffany's.

She browses around, spots a beautiful diamond bracelet and walks over to inspect it.

As she bends over to look more closely, she inadvertently breaks wind. Very embarrassed, she looks around nervously to see whether anyone has noticed her little accident and prays that a sales person doesn't pop up right now.

As she turns around, her worst nightmare materialises in the form of a salesman standing right behind her.

Cool as a cucumber and displaying complete professionalism, the salesman greets the lady with, 'Good day, Madam. How may we help you today?'

Very uncomfortably, but hoping that the salesman may just not have been there at the time of her little 'accident', she asks, 'Sir, what is the price of this lovely bracelet?'

He answers, 'Madam, if you farted just looking at it, you're going to sh\*t yourself when I tell you the price.'
