Sean Anderson,

Sincere thanks for your very kind letter of 23 March 2016 in which you advised of the vote of the members of Club Burwood that I should be the Club Patron for 2016.

I am deeply honoured to have been so elected and would be most grateful if you would convey my thanks to all.

Please let me know if there is any way in which I am able to assist the Club.

With kindest regards,

Ken
